**MUN**

Welcome to the 2nd edition of interschool Shri MUN! We at The Shri Ram School, Mousari aim to provide an opportunity for deliberation and diplomacy which helps young delegates take a step towards becoming world leaders. We look forward to a conference filled with enriching debate, critical thinking, and negotiation; all with the idea of a better future in mind.

The theme of this year's Shri MUN is *'Diplomacy: A Double Edged Sword'*, and aims to promote collaboration, giving each student the opportunity to be a part of something bigger than themselves. We want to ensure that every student has the opportunity to be a part of something bigger than themselves and work together along with their fellow delegates to solve the most pressing global issues. Shri MUN as a platform gives students the chance to come together, articulate ideas and learn from each other. It has helped students emerge as problem solvers, thinkers, and leaders.

Be prepared to view global issues from various perspectives, learn about diplomacy, and develop skills you never knew you had. This year, our dedicated core team has worked tirelessly to create seven different committees with interesting agendas that are sure to keep you on the edge of your seat.

# UN GENERAL ASSEMBLY : ECONOMIC AND FINANCIAL COMMITTEE

UNGA was formed in 1945 in the United States as the main deliberative, policymaking, and representative organ of the UN. All 193 member states of the UN are represented in the General Assembly, making it the only UN body with universal representation. The deliberation on adoption of AI and Machine Learning in International Financial Markets is an imperative aspect of this committee. AI has a lot to do with stock manipulation. This issue not only covers international financial markets, but also the forex revenue generated by the money exchange market globally.

## UNITED NATIONS ENVIRONMENT PROGRAM

FOUNDED IN 1972, UNEP AIMS TO INSPIRE, INFORM, AND ENABLE NATIONS AND PEOPLE TO IMPROVE THE QUALITY OF LIFE WITHOUT COMPROMISING THAT OF FUTURE GENERATIONS. IT IS DRIVING TRANSFORMATIONAL CHANGE BY DRILLING DOWN ON THE ROOT CAUSES OF THE TRIPLE PLANETARY CRISIS OF CLIMATE CHANGE, NATURE AND BIODIVERSITY LOSS AND POLLUTION. IT HAS WORKED CLOSELY WITH ITS 193 MEMBER STATES AND OTHER STAKEHOLDERS TO GALVANIZE WORLDWIDE COMMITMENTS AND SUPPORTS THEM TO ACHIEVE SDGs. THE UN'S 2030 AGENDA IS UNIVERSAL, TRANSFORMATIVE AND RIGHTS BASED. FROM WIDESPREAD IGNORANCE, THE UN HAS GENERATED GLOBAL UNDERSTANDING. THE DISCUSSION OF THIS AGENDA SEEKS TO PROVE THE POWER OF MULTILATERALISM. ALL DECISIONS ON INVESTMENT AND RESOURCE ALLOCATIONS WOULD BE PART OF A SOLUTION AND DIRECTED TOWARDS LOW-CARBON, CLIMATE-RESILIENT GROWTH.

# CONTINUOUS CRISIS COMMITTEE

A continuous crisis committee is fast-paced and dynamic where stances continuously change as you are hit with one crisis after another. The environment of such a committee encourages creativity, adaptability, and critical thinking. This committee requires an impromptu outlook and broadens the horizons of an individual in a way that helps them to build a common consensus with other delegates. The motto of this committee is to expect the unexpected, for it remains the most demanding, yet fun committee at Shri MUN. General Knowledge would be your strongest asset, as the agenda would only be revealed when you step foot onto the committee.

# THE UNITED NATIONS CORRESPONDENTS ASSOCIATION

United Nations Correspondents Association (UNCA) is the organization that represents press. The international press was established in 1948 in the UN, and it has always strived to bring out the truth to the people. International Press is a global organization dedicated to the promotion and protection of press freedom and the improvement of journalism practices. The Press acts as a link between the masses and the UN.

## WORLD HEALTH ORGANISATION

World Health Organization is the United Nations agency that connects nations, partners, and people to promote health, to keep the world safe and serve the vulnerable- so everyone, everywhere can attain the highest level of health. It was founded in 1948 and has been working with 194 member states across 6 regions.

Antimicrobial medicines are the cornerstone of modern medicine. This agenda aims to look for solutions for antimicrobial resistance- one of the top global public health threats. AMR makes infections harder to treat and it affects countries in all regions and at all economic levels.

## United Nations Security Council

**FREEZE DATE: 26th July, 1949**

Headquartered at the United States, the United Nations Security Council gives primary responsibility for maintaining international peace and security to the Security Council. It was formed in 1945 and it takes the lead in determining the existence of a threat to the peace or an act of aggression. It calls upon the parties to settle disputes by peaceful means and recommends methods of adjustment or terms of settlement. In 1948, the Security Council members met to solve and stop the first war after World War 2 between India and Pakistan over the Indian Kashmir. An agreement was signed between Kashmiri ruler Maharaja Hari Singh and India to make Kashmir an integral part of India, but the demography has led Pakistan to claim its rights over Kashmir...

# *Lok Sabha and Rajya Sabha* *(Joint Session)*

India gained its independence in 1947. With that came the birth of the mother of democracy of the modern world, The Republic of India. The pillars of Indian democracy lie on the shoulders of the two houses and their members - The House of the People, Lok Sabha and The Council of States, Rajya Sabha. The objective of the Parliament is to serve the people of India, and it has been successful in its task, be it the yearly budget or passing bills to uplift weaker sections of Indian society. In light of the Indian Parliament's mission to serve India, this committee will deliberate on ViksitBharat 2047 Goals. ViksitBharat is the current government's mission to make India a developed nation by the year 2047. Its goal is to grow India out of the state of being a developing nation.

# EVERY MUN-ER'S CHECKLIST

- Frantically research country's stance the night before
- Find dirt on other countries
- Have a list of comebacks and roasts prepared
- Introduce yourself awkwardly to your bloc members
- Experience at least one gavel-bang induced jumpscare
- Learn an unnecessary amount of operative clauses
- Threaten to go to war with or nuke at least one other country
- Practice your serious diplomatic face in the mirror
- Google your country's policies while on the bus to the venue
- Try to make small talk with countries you've never heard of
- Deliver your GSL with unexpected voice cracks
- Start an inside joke that only makes sense to your bloc
- Witness or partake in a dramatic walkout
- Get 12 hours of sleep to recover
